COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Since being in DDST and not DDA, of course the main DDA courses did not help me, But the courses pertaining to the whole agency in general were all very helpful.

(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

Not particularly in my job but I'm sure it was helpful to those in DDA.

- D. Other Comments:

I feel the course as a whole was very interesting and very beneficial to my work. I found out a lot about the Agency I didn't realize before. As for the atmosphere [REDACTED] was very fine but it is my suggestion that they cut out the 4:30 social hour as you are to full for dinner and it causes people to over drink and disrupt the night sessions. It would help the night class very much.
